

# Free Band Camp in 2019?

If you buy groceries, school supplies, coffee, clothing, gasoline, music, movie tickets ... The Shawnee Band Parent Association wants to help you save money for band camp, band trips and band-required costs.

As members of the SBPA<sup>1</sup>, you are entitled to participate in the Shop with Scrip program. Through this program, you buy gift cards/certificates at face value from any of over 750 local and national merchants. Then, a percentage of your purchase is given back to SBPA and deposited in your child's student account! Those funds can then be used to pay for band camp, shoes, band trips and certain color guard expenses.

Scrip may be purchased

- online at [www.shopwithscrip.com](http://www.shopwithscrip.com)
- on your iphone or android device with the MyScripWallet app
- through a monthly paper order form
- or all three ways!

PARENTS OF SENIORS – you can participate as well. Any money earned with scrip that goes unused becomes part of our scholarship fund!

<sup>1</sup> Your annual SBPA membership dues are only \$35! Not only does this small fee allow you to participate in this great scrip program, it also provides the resources needed for our band to perform high-quality, award-winning shows year after year. SBPA funds are used for purchasing meals for Regional and State Championships, maintaining our "Big Blue" trailer and Cushman which take the instruments/props/flags to the competitions/games, paying for the materials needed to create the props which enhance the show, providing the main costumes and flags for the award-winning color guard, and much more! For more information about SBPA membership, contact Edie Storer at [vpband@shawneebandparents.org](mailto:vpband@shawneebandparents.org).
